

Improving Productivity and Profitability

"We chose Second Foundation not only because of their reputation, but because they share a similar vision to our organization. *Their team is focused on helping businesses to grow; helping businesses to improve their productivity and profitability.*"

-Mary Sue Fitzpatrick. Vice President
The Greater KW Chamber of Commerce

The Chamber serves over 1800 member companies in the Kitchener, Waterloo, and Woolwich areas. For over 120 years, the Greater KW Chamber has played an important role in the evolution and growth of the community. As the voice of business for the greater Kitchener Waterloo area, the Chamber is a strong advocate for continued development of our community and a partner for prosperity. "We focus on providing top-level and timely service to our members, and to do that we need to have systems that are performing optimally," says Kelly Sue Labus. "It is important to work with a company that is there to address and solve our needs in a timely fashion."

Second Foundation provided an array of technical and consulting services to keep the Chamber's Accpac financial software running smoothly and providing the financial reporting required. "We chose Second Foundation not only because of their reputation, but because they share a similar vision to our organization. Their team is focused on helping businesses to grow; helping businesses to improve their productivity and profitability," says Mary Sue Fitzpatrick. "Second Foundation is there when we need them, provide the service we need to allow us to support our members; they haven't let us down." The team at Second Foundation solves business pain by applying their expertise with powerful business tools from Microsoft®, Epicor® and Sage.
